Section 1

ADDITIONAL VOCABULARY

Миллион	million
Миллиард	billion
Цена	price
Можно	is it possible/it is possible/one can (use it to either ask for or give permission)

Example:

Тут можно курить?	Is it possible to smoke here?
Да, можно	Yes, it is.

Section 2

RUSSIAN ADVERBS

Adverbs in Russian answer the question “Как?” (How?) and describe a verb, same as in English, i.e.:

Я **хорошо** работаю. (I work (how?) well).

Majority of adverbs in Russian end in “о” and never change their ending.

In a sentence they generally come before the verb.
