

# Key to Lecture 2

## 1) Mark the English word that includes the same sound as the marked portion of the German word

Example:

Wein                      vain, mine, lean

The letter i in mine is pronounced the same as ei in the German word Wein.

1. Bau                      about, laugh, audio
2. rein                     reign, lane, cry
3. wo                      wet, vet, fat
4. Breite                  meet, kite, brief
5. schwer                where, sphere, vary
6. wann                  coward, when, voice
7. laut                    out, caught, fight
8. weit                    meet, night, rain
